CHAIRMAN SPEAKS

As we gather to reflect on the achievements and milestones of 2023, I am filled with a sense of gratitude and pride for the incredible journey we have undertaken together. Our commitment to create positive change and fostering sustainable development has been unwavering, and I am honored to share this message with you in our Vision 2023 Annual Report.

Over the past year, our committed team, passionate volunteers, and valued partners have worked tirelessly to address the pressing issues faced by the communities we serve. From education and healthcare to community development and economic empowerment, our multifaceted approach has aimed to uplift the lives of those in need.

One of the highlights of this year has been commencement of Free Dialysis Centre at Al-Shifa Multispeciality Hospital, which stands as a testament to our collective efforts and the impact we can make when we come together with a shared vision. Through this initiative, we have completed 14,449 dialysis influencing the lives of countless individuals and contributing to the overall well-being of our society.

Another major initiative of this year was the Launching of Masawat Livelihood Foundation. The foundation aims at providing financial assistance in the form of loans to the individuals to setup micro and small livelihood activities. The Vison 2026 was implementing livelihood projects since more than a decade, however Masawat will take it to next level as it is professionally dedicated for economic empowerment.

I am particularly proud of the resilience and adaptability our organization has demonstrated, especially considering the challenges presented by financial constraints. Our ability to navigate these obstacles reflects the strength of our commitment and the importance of our mission. As we continue to face uncertainties, I am confident that our shared values and determination will guide us towards even greater accomplishments in the future.

I extend my heartfelt gratitude to each member of the Vision 2026 family—our staff, volunteers, donors, and partners—for their unwavering support. Your dedication is the driving force behind our success, and it is through our collective efforts that we can aspire to create lasting positive change.

Looking ahead, let us remain steadfast in our commitment to the principles of Justice, Accountability, Empowerment and compassion. By staying true to our mission, we can build a brighter future for the communities we serve and inspire others to join us on this transformative journey.

T. ARIF ALI
Chairman, VISION 2026

VISION

Hand-in-hand we go to serve the deserving. Through various community service projects and with the support of our caring and generous donors, the Human Welfare Foundation (HWF) is engaged in helping people with little or no resources. With the high spirit and dedication of its volunteers, HWF strives to alleviate human suffering and also to help them achieve real improvement in the quality of their lives.

MISSION

Our mission is to serve the poor and deprived sections of the society by providing them the basic amenities like education, healthcare, food, and shelter that equip individuals to become an equal partner in the progress of the nation, and by helping the sufferers of calamities to move towards a world free from hunger, ignorance, deprivation, and exploitation.

We aim at the grassroots level with a distinct preference for the depressed and the disadvantaged sections, enabling them to attain all that a common citizen cherishes.

VALUES

COMPASSION

A person cannot be compassionate unless he/she is sensitive to others' needs and conditions.

JUSTICE

Each person has the right to live and be treated with dignity. Justice is achieved by considering the rights of others and the respect they deserve, regardless of ethnic background.

EMPOWERMENT

To empower people in order to unleash their potential.

ACCOUNTABILITY

We hold ourselves accountable for our actions. We hold our project implementation partners accountable for their actions.

First-Aid Training Workshop

The Human Welfare Foundation organized a highly effective First-Aid Training Workshop in Lucknow, U.P. Total 35 participants underwent comprehensive training in essential skills such as CPR, first-aid, fracture management, choking response, and burn treatment. By equipping participants with these vital skills, the workshop contributes significantly to building a more resilient and prepared community.

World Cancer Day Celebration

The Human Welfare Foundation Commemorated World Cancer Day (Feb 4) by orchestrating a series of impactful programs aimed at fostering awareness regarding the disease. These initiatives encompassed enlightening awareness talks delivered by esteemed experts in the field of oncology, addressing audiences comprising students, educators, and members of the community. The purpose of these events was to disseminate the critical message of cancer awareness throughout seven states across the nation, namely Assam, Bihar, Jharkhand, Madhya Pradesh, Rajasthan, U.P, and West Bengal.

Free Measles and Rubella Vaccination Camp

A Free Measles and Rubella Vaccination Camp was organised at Al-Shifa Hospital, New Delhi a total of 95 children were vaccinated. This is a significant effort in promoting public health and ensuring that children receive proper vaccination and care, especially amidst the current health situation of rising measles cases in the area.

Free Health Screening Camp for Children with Special Needs

A Free Health Screening Camp for Children with Special Needs was conducted at Al-Shifa Hospital, New Delhi. The event aimed to provide comprehensive healthcare services to 103 children aged 2 to 18 with multiple disabilities. A team of medical professionals, including physiotherapists, educators, and specialists, addressed the unique healthcare needs of the children. Distinguished guests from academia and the government's education department, who overcame disabilities, inspired the participants, creating a positive and uplifting atmosphere.

MEDICAL SERVICE SOCIETY (MSS)

MSS was established to work in the field of healthcare with an emphasis on professional and ethical practices. It operates with partner organizations during man-made and natural calamities to cater to the emergency needs of the victims.

CPR TRAINING PROGRAM:

MSS conducted a CPR training program on October 26, 2023, at IIISR in Abul Fazal Enclave, Jamia Nagar. Dr. Moti Lal, a General Surgeon from Al-Shifa Multispecialty Hospital, served as the resource person, guiding 40 students through the training. The participants learned valuable skills such as CPR, first-aid, fracture management, choking response, and burn treatment. Certificates were distributed to all participants at the end of the workshop. The knowledge gained will help them handle emergency situations and potentially save lives in their community.

NAGPUR FLOOD RELIEF:

Responding to severe flooding in Nagpur, Maharashtra, caused by heavy rains and affecting at least 700 people, MSS initiated a multifaceted relief effort. This included a dedicated medical camp, aid for immediate food and shelter needs, and the establishment of a Medical Guidance Center to provide ongoing support and advice.

MEDICAL CAMPS:

The Medical Service Society (MSS), in collaboration with Al-Shifa Hospital, organized three impactful free medical camps in diverse locations, extending crucial healthcare services to communities in need. The first camp in Faridabad, Haryana, featured general check-ups, consultations, and health education, benefiting 231 individuals. In Abul Fazal Enclave, Jamia Nagar, New Delhi, the second camp provided consultations, diagnostic tests, and free medicines to 368 beneficiaries, including school students and staff. The third camp at Tasmia Junior High School in Muzaffarnagar, Uttar Pradesh, focused on children, conducting comprehensive health examinations for over 270 individuals.

HEALTH AWARENESS CAMPS:

MSS organized two health awareness camps in different districts of West Bengal. In Murshidabad, the camp addressed topics such as women's health, sugar, cholesterol, thyroid, and TB, with a special focus on health awareness. Meanwhile, the Howrah District camp covered concerns like dengue fever, obstetrics, women's diseases, and diabetes. Both events featured distinguished speakers from various medical fields, contributing valuable insights.

FAMILIES IN 21 STATES

India ranked 111 out of 125 countries in the Global Hunger Index 2023. this also marks fall from the previous year's rank of 107. this indicates hunger severity level of 'serious' for the country. Poverty is a major hindrance to the growth of any society. Keeping this in mind, Vision implements the Hunger Relief Program helping thousands of people fight hunger.

Under the program, we provide food kits to the neediest twice a year. In 2023, we could reach 1,77,00 families in 21 states of the country. We also distribute cooked food packets daily through our community kitchens under project called 'Project Ehsas'.

PROJECT EHSAS

The project is to serve the cooked meal to the needy and downtrodden through community kitchens and was initiated in the wake of the worsening hunger crisis due to the Covid- 19 induced lockdowns and consequent loss of jobs in India. Currently, we are running four community kitchens in Delhi, Kolkata, Lucknow, and Mumbai. Under the program, in 2023, we distributed more than 1,78,250+ food packets.

PROJECT RAHAT

Millions of homeless in the national capital and the rest of India battle hard, every year, to overcome the "nightmares" of winter times. Winter is a "test of survival" for the homeless in India. With dipping temperatures, in north India, and no warm clothes to protect them from the chill, hundreds of homeless die every winter in India. Project Rahat aims at protecting the homeless/needy people from the killing weather in the winter and minimizing cold wave-induced fatalities among them. This year, we distributed 23544 blankets to needy families in 16 states.

Mohammad Zubair's General Store

Mohammad Zubair resides in Phulwari Sheriff, Patna. He runs a successful General Kirana Store adjacent to his house since 2010, starting with a loan from Al-Khair MSCS. Despite financial challenges, he prioritized self-sufficiency, shifting from labor work to entrepreneurship. Over the years, he's expanded his store's inventory, availed multiple loans from Al-Khair, and now earns a monthly profit of Rs. 30,000. Zubair's positive experience with Al-Khair's support, flexible repayments, and convenient daily deposit system has transformed his life and he advocates for wider implementation of such microfinance initiatives.

Mrs. Khairunnissah is a resident of Shastri Nagar in Jamshedpur. She is member of Al-Khair MSCS one of the affiliates of Sahulat. Initially she was engaged in the business of decorating marriage halls.

Through Al-Khair's services of deposit, lending and financing, she successfully established and expanded a general store near her home. He has been able to save money from her income and avail finances to establish and expand her business.

She praises AlKhair for creating livelihood opportunity for her, fostering financial stability and improving the socio-economic status of her family.
